To Whom It May Concern,

This letter is to certify that Zainab Aziz has successfully completed her internship as a Web Developer Intern at DevGlint (SMC-Private) Limited from October 2025 to January 2026.

During her internship, she worked on developing a clothing e-commerce website, where she demonstrated strong skills in both frontend and backend development.

As part of her responsibilities and contributions, she successfully:

- Developed the frontend interface using React.js, where customers can view products, add items to the cart, and place orders
- Implemented core e-commerce functionalities including product browsing, cart system, and order placement
- Designed and developed a fully functional Admin Panel
- Enabled admin login authentication for secure access to the system
- Managed the order handling system, where customer orders are received and processed through the admin panel
- Implemented features to add, edit, and delete products from the admin panel
- Connected and managed the SQL database with the backend to ensure proper data handling and storage

Her work reflects a solid understanding of full-stack web development and real-world application building. She showed dedication, strong problem-solving skills, and the ability to complete assigned tasks efficiently.

We appreciate her contributions and wish her success in her future endeavors.

Sincerely,

DevGlint (SMC-Private) Limited
